

WORKS NOTIFICATION

LAND PREPARATORY WORKS NEAR SANDY POINT

In February 2026, land preparatory works are planned to begin near Sandy Point.

- ◇ **What is it?** Investigations and preparations required ahead of Marinius Link's construction, commencing in early 2026.
- ◇ **What does it involve?**
 - » Set up of temporary fencing to secure the site
 - » Noise modelling
 - » Surveying the construction site
 - » Testing and sampling of soil
 - » Ground water investigations
- ◇ **Works will be completed in normal working hours:**
 - » Monday to Friday, 7am to 6pm
 - » Saturday, 7am to 1pmIf any works are required outside of this period, we will let the community know in advance.
- ◇ **From February 2026, further activities will include:**
 - » Underground service locating
 - » Establishing the construction site, site facilities and laydown areas
 - » Pre-construction activities for access roads including earthworks

What are the impacts?

- ◇ **Temporary traffic changes along Waratah Road to complete works safely.**
- ◇ **Our teams have measures in place to minimise impacts on the local community, marine and land environment, businesses and road users.**

What to expect?

- ◇ **You may notice construction crews, temporary reductions in speed limits on Waratah Road, and an increase in heavy vehicles, noise and dust.**
- ◇ **Localised traffic management will be in place for community and worker safety.**

Background

Marinus Link is a new undersea and underground electricity and telecommunications interconnector between North West Tasmania and the Latrobe Valley in Victoria.

The project includes high voltage direct current cables, fibre optic cables, a communications station and converter stations at each end. The span 345 kilometres (km). This includes 255 km of undersea cables across Bass Strait and 90 km of underground cables in Gippsland, Victoria.

Marinus Link Pty Ltd is jointly owned by the Commonwealth, Tasmania and Victoria.
